

YSGOL UWCHRADD TYWYN

Welsh Baccalaureate National / Foundation

The Welsh Baccalaureate aims to enable learners to foster and show understanding of the following essential skills:

- Literacy
- Numeracy
- Digital Literacy
- Critical Thinking and Problem
- Planning and Organizing
- Creativity and Innovation
- Personal Effectiveness

How will I be assessed?

Skills Challenge Certificate

- 50% - Individual project (controlled assessment)
- 20% - Enterprise and Employability Challenge (controlled assessment)
- 15% - Global Citizenship Challenge (controlled assessment)
- 15% - Community Challenge (controlled assessment)

What next?

- Studying for the Advanced Welsh Baccalaureate.
- The course aims to cultivate the skills that employers and universities value and that are necessary for learning, work and life.
- In conjunction with the process of cultivating skills, and through that process, the Welsh Baccalaureate offers you the opportunity to cultivate your knowledge and understanding of society and your community, and an awareness of global issues, events and perspectives.

In order to achieve the Welsh Baccalaureate National, you must complete the Skills Challenge Certificate together with the following Supporting Qualifications:

- Welsh Language GCSE or English Language GCSE grades A* - C;
- Mathematics GCSE - Numeracy at grades A* - C;
- A minimum of three other GCSE qualifications (equivalent) at grades A*-C;

YSGOL UWCHRADD TYWYN
