Rotary Club Junior chef of the Year competition Tuesday 18 June Year 7, 8 and 9 pupils

Preparation 3-5pm, judging starts at 5pm. Parents are welcome from 5pm onwards for the judging (and the washing up!)

Afternoon Tea has been a 'thing' in Britain for almost 180 years—can you create a new and exciting version and win the title of Junior Chef of the Year?

Afternoon Tea evolved as a mini meal to stem the hunger and anticipation of an evening meal at 8pm and generally was composed of delicate sandwiches, scones, sweet pastries and cakes.

We want you to produce sweet items which could be cakes/cupcakes, tarts/tray bakes (no sandwiches or quiches) or your own take on the traditional Victoria sponge and jam scones. Your bakes should look and taste good and be just that little bit extra special—give it a go!

Total cost of ingredients must be no more than £5.

The Rotary Club will give each competitor £5 towards ingredients and will award 3 prizes for the best Afternoon Tea:

£25 1st Prize
£10 2nd Prize
£5 3rd Prize

Recipes, including methods, to be handed in to Miss Tronet by Monday 3 June
(the first Monday after half term).
