

Hysbyseb gan Canolfan Iechyd Tywyn

Nid yw Canolfan Iechyd Tywyn yn gallu darparu swabiau COVID arferol i ddisgyblion ysgol. Os yw'ch plentyn yn dangos symptomau Covid 19 dylech ffonio 119 er mwyn trefnu cael swab. Rwyf wedi atodi dolen fideo You Tube sydd yn rhoi rhywfaint o gyngor defnyddiol. Mae hefyd ar gael ar gyfryngau cymdeithasol y Ganolfan Iechyd.

Maent yn dal i weithio'n galed i gadw'r feddygfa yn safle di-COVID, fel y gallant barhau i drin rhan fwyaf y bobl yn y gymuned. Wrth gwrs, os oes angen i'r plentyn weld meddyg teulu neu nyrs, dylai rhieni gysylltu â nhw yn y ffordd arferol.

Notice from Tywyn Health Centre

The Tywyn Health Centre is not able to provide routine COVID swabs for school pupils. If your child shows symptoms of Covid -19 and a swab is needed you should ring 119. I have attached a you tube video link which has some useful advice. It is also posted on the Health Centre social media.

They are still working hard to keep the surgery a COVID free site, so that they can continue to treat the majority to the community. Of course if the child needs to see a GP or nurse parents should contact them in the usual way.
